Government College of Pharmacy Ch. Sambhajinagar, celebrated International Women's Day by organizing different activities throughout the week (from 5th to 11th March, 2026).

International Women's Day is celebrated every year on March 8 to recognize the achievements, contributions, and importance of women in society in social, economic, cultural, educational, and political fields. This day also spreads awareness about gender equality, women's rights, and empowerment. It reminds us to respect women and support their participation in every area of life. Celebrating Women's Day in colleges encourages students to understand the value of equality, confidence, leadership, and mutual respect, and inspires young women to achieve their goals and contribute positively to society.

Objective of the Program:

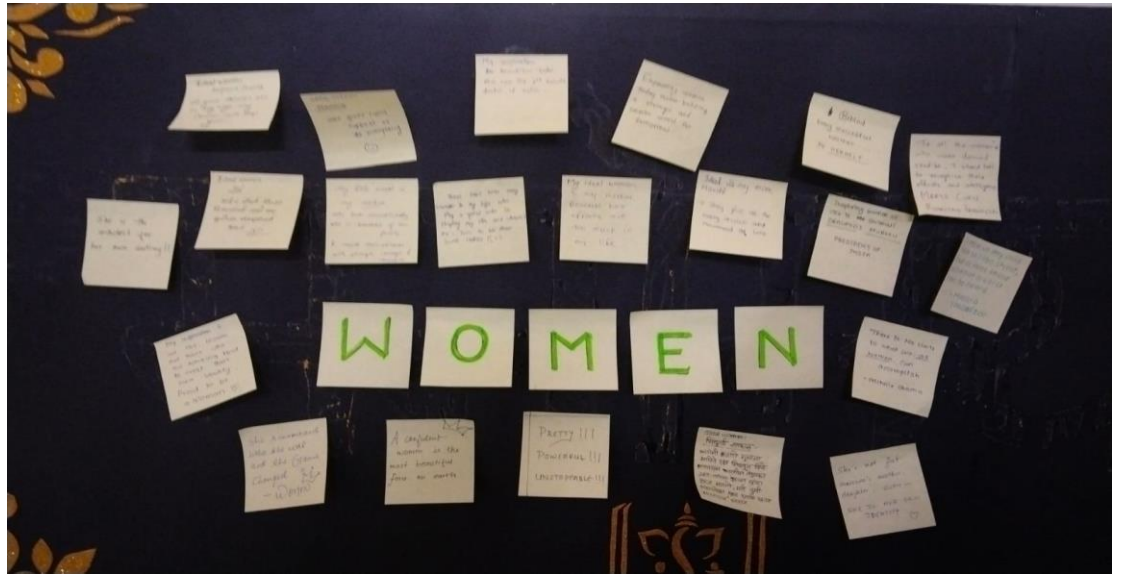

The main objective of the program was to create awareness about women's empowerment, gender equality, and the important role of women in society.

Activities conducted:

- Inspirational speeches
- Cultural performances
- Fun games and activities
- Celebration of women's strength and achievements

Details with photogallery
